

Covid-19 Guidelines

As of: 1/27/2021

Jupiter United is posting these Covid-19 General Guidelines **to be followed by all participants and attendees of the Presidents Day Tournament:**

- All coaches, players, referees and other attendees should be monitoring for symptoms at home. If persons show any symptoms, they should stay at home.
- Each individual should check his/her temperature at home and not participate or attend if he or she has a fever of 100.4 or greater.
- Players, coaches, and spectators should disinfect their hands prior to and immediately after every match.
- General hygiene practices should be adhered to mitigate transmission of communicable disease.
- Hand sanitizer stations will be spread throughout the park.
- There will be no benches on the sidelines.
- A lead contact person for matters related to COVID-19 will be identified for collecting and dissemination of information: jupiterunitedcup@jtaa.org
- Coaches, players, spectators and referees are to bring their own hand sanitizer and water bottles and to not share with others.
- All players and coaches will have to sign a liability waiver of consent to play during the COVID-19 pandemic before being allowed to participate.

Spectator Guidelines:

- All spectators should always maintain social distancing during arrival, competition and departure from event.
- Spectators should never enter the field of play or team area at any time.
- Per Palm Beach County order, Spectators are highly recommended to wear face coverings, particularly when social distancing is not possible. In cases when social distancing is not possible, any spectator within 6 feet of field is required to wear a facial covering.
- To limit the amount of spectators in attendance, we are requesting immediate family members attend only.
- It is suggest that All spectators are to remain six feet apart that are not part of immediate family.
- Please depart immediately following the match.
- Practice good general hygiene and bring personal hand sanitizer for personal use.
- It is recommended to drop off your player for team warm-up and go to the field 10 minutes before scheduled kick-off. This will limit interactions with other spectators between games.

Team Guidelines:

- Team pre-game and post-game handshakes should be avoided.

- No game cards – all will be handled electronically including score reporting.
- Extra time has been built in between matches to manage flow of participants.
- No water will be provided. All players should bring their own water and hand sanitizer.
- Staff passes, player cards, medical release form should be handled by team manager only.
- Do not enter the bench area until the previous team has completely cleared the area.
- It is recommended that coaches wear face coverings when addressing players.
- Leave team area immediately following the match.
- Players should bring their own personal hand sanitizer and use pregame, at substitutions, halftime, and post-game.

Trainer interactions:

- We are hoping to have trainers onsite to provide assistance for injuries.
- The trainer will have disposable masks at their area. If you are being treated and can wear a mask, you will be required to wear one.

We will continue to develop and implement procedures as we get closer to the event. Jupiter United President Cup Committee
